## About Chapters Bistro

Chef Neil Herbert and wife Lesley have long had an affinity for running restaurants. Having trained in the UK and working in several Michelin Star rated venues, Neil has since managed a number of Perth restaurants including Bistro Felix and Basq after relocating to Perth in 2010.

The opportunity to run our own restaurant in the same location as Basq was too good to pass over. We offer a sophisticated take on a modern European bistro. Passionate about utilising Western Australia's finest produce and native ingredients.

## High Tea

Join us in continuing this Great British food ritual – as we add our twist on the legendary traditional High Tea.

Prepared and served fresh from Thursday to Saturday our High Tea menu faithfully follows the traditional combination of sweet and savoury (please note that our High tea is sweeter than it is savoury).

We offer 3 High Tea experiences: the Classic, the Sparkling, and the Premium. Visit our website for more details.
